

Dear friends of Project Back 2 School,

We want to partner with local businesses and friends to support this event. All donations go directly to children and youth in need in the Central Bucks and Penridge School Districts. We are seeking contributions and offering sponsorship opportunities. With Platinum, Gold & Silver sponsorships, your business logo will be on our website. We will share this event on social media throughout the community. We need sponsors like you to make the 2024 Project Back 2 School Supply Drive a success. Please consider becoming a sponsor today. We appreciate your consideration.

We have been proudly servicing Central Bucks and Penridge school districts since 2014.
